Kills Standing

My Brotherinlaw, I wish to write you a letter today. There are 20 companies of soldiers at this place. And we thought of fighting them but gave it up until spring. Then is the time we decided on fighting. There are 10100 lodges of Erules. Now my Brotherinlaw I wish to ask you for some sweetgrass, so if you can let me have it I wish you would write me a letter. That is all I have to say.
