SMITHSONIAN INSTITUTION BUREAU OF AMERICAN ETHNOLOGY WASHINGTON 25. D. C.

Jud. lang.

December 18, 1947.

Mr. W. S. Campbell The University of Oklahoma Norman. Oklahoma

Dear Mr. Campbell:

Receipt is acknowledged of your letter of December 6th.

Dr. Harrington states that the word <u>musk-amoots</u> is apparently Shoshoni and not Crow. However, he believes that it is possible the term may have circulation outside of the Shoshoni tribe.

Very truly yours,

M. W. Stirling, Chief.
