

used glasses;

Skin trunkis + pack a gun that looks +
might like a - crowbar - long bottleneck

Sharp's cartridges -

prows along his country till his
sights beat; gets nose right, he
keeps courses till he sights the
range - then old Sharp's

throw lead 1000 yds.
by mallow or behind mesquod.
Pick out a cow on the edge of the
brush - looks her back - she
drags hind legs + makes plenty
buffalo noise - others crowd
around her - smelling blood -

coats the milking cow - +
kills those that try to escape
from the milch - wait a time
to get the bull - kill it -
