Mr. W. S. Campbell
School of Journalism
University of Oklahoma
Norman, Oklahoma

Dear Mr. Campbell:

In your letter of January 21, 1957, you request information as to the "cost of photographing and microfilming the records . . . of certain frontier posts and forts."

Kindly send us the list of frontier posts and forts in which you are interested, as we have not been able to locate prior correspondence on this subject which, presumably, would contain such a list.

Sincerely yours

Victor Gondos, Jr.
Archivist in charge
Old Army Branch
