a) making active + prominent use of the regular troops of your command,

All of May 6 to 7 had ff frontiers on 800 miles of most numerous country, breaking up their camps, collecting horses, equipments, & supplies, & having several engagements. Captain Lawton, whose report is published

near Frontiers - ~~at~~ 20<sup>th</sup> of Aug - Lawton heard that frontiers had told them they were ready to surrender - Lt Gatewood got it to come in & meet them - he went along & surrendered Sept. 4 - with his band - to Pres - Sept 7 - Pres supposed in surrender to be unconditional - I replied - "Keep 'em safe until they can be tried for their crimes or otherwise disposed of."
