I In compliance with special instructions from Department Headquarters, Captain W. G. Wedemeyer is hereby detailed to investigate and report in full the acts of the Cheyenne Indians who recently crossed the K. T. R. R. at Carlyle.

Captain Wedemeyer will proceed as far east as Buffalo if necessary, in order to determine the number of persons killed, and he will give names of persons killed, dates and places where killed, he will also inquire carefully into the value and number of horses and other stock stolen or destroyed. He will follow the trail as far as the Republican and up the Republican to such point as the last depredations were committed.
