Uneasiness continues
 with me - I am now
 reduced to virtual pros-
 tration - by age - financial
 & worry over my condi-
 tion -

My condition as to
 age financial render me
 worse than an invalid
 unable to make any re-
 sistance in any case &
 way - I am reduced
 to pauperism in more
 than one way -

Pension Matter.

Am now destitute of means
 of support - hopelessly so
 in deed & in fact -
