9 p.m. - The day closed fine, all day good. Good & Jr. came p.m. & I & Good went to Collinsville for nearly to Vera - had a nice ride indeed. They went - some late - April at night - clouds thick & threat - coming across & it rained - atmosphere much agitated - at 9 p.m. before Good came went to the school house - saw legs a plenty & right up to the thing itself - in appearance & color - the leg, kind, was a disgrace - next to no leg at all - one in particular showed
