Notes of the day -

July 20-1928, Continued -

July 20-28 - closed & now guns -
~~————~~

July 21- 28- Noon 12. M.
not a thing astir or aboard -
quite warm & windy - NO news -

Our water in the bath room out-
of gear - wasting - discovered this
a.m. been wasting ever since last Nov,
I'm paying, & unable to get Corbin to
repair it -
A new valve needed - &
none in town -

Damn poor condition in town all
around -

Very quiet all day - NO news
patiently waiting on John Welch in
Henry case -

My boy comes when called also
on own acct - — no one comes
to see me - I am lonely & need all
help possible - This 6.p.m. 7/15/28
