Vian, Oklahoma, April 26th, 1919--

On the above date Squirrel Fields of Vian, Oklahoma, deeded to myself and Boudinot five acres of land in Nowata Co. Okla, part of his share of the land estate of Nannie Fields dec, his wife--for the sum of \$84.00. as described correctly in a copy of the deed now held by me-- that amount, \$84.00 being an amount of money due me from him for services rendered him for the last past four years in his adm and grdnship cases--

If the land as deeded to me is free then all O K. otherwise settlement and dues are open--the account stands good--
