

April 23<sup>rd</sup> 1919 -

Rec'd from my Boy Boodie  
a letter & several pictures of  
W. Lulu & the Kaiser -

That lovely Bob. W.B. Jr.  
and his loving & grateful  
parents -

He's a kid & just the  
image of Boodie - fine -

Mama just went over  
over them -

He's a brick, indeed and  
the image of lip throat -  
in his two arms as well  
as his Ma -

Surely that's my reward in  
life -
