Case -

May 10, 1919 - Louise Cannady
Came to my office and
handed me a 20 dollar
bill on her pay & bounty
cases from the govt.

As she informed me
some days ago - for which
I had for Anderson applied
for her -

Later
Anderson came in to see me
& we went over the matter
& understood each other
that when the insurance
matter was settled
then we would finally
settle our acct -

that I would replace
all he had let me have
over what I had a right
to in the insurance case -
& in Louise case to then
settle as to what if any
was due me -

Anderson & her both say
the \$10 she got was pay
& bounty - if so I under
the law to collect myself
