Monday Sept 15 - 1919 -

Very quiet this a.m. I see

Sen. Hiram Johnson
making up the sheep &
wolves in K.C. Saturday
the 13th. He sure plays the
President on the League matter.
And he sure shows it up in
all its hideousness in so far
as Nationalism goes -

According to Wilson, the
League is Scriptural because
made & presented by him -

According to Johnson it
destroys Americas independence
knowingly & Wilfully & even
aforethoughtly -
