Dr.

Hon. W. W. Hastings, M. C.

Sir:

Please give the case of G. W. Clark case for pension a push that is a push--make it go ahead in some direction or other, looking to settlement in some shape or other--

Too much delay in the matter, and he advises me that he has not a word from it since it was up for to see just what further could be done in the case--

Special investigation would settle the matter in 5 days in all and no longer--

The pension office has not one thing to do with the war, and therefore open to furtherance of work on special order or rule of justice to claimants--

The claim is Original father's #1041,507. soldier was W. C. Clark son of the applicant G. W. Clark--

Vian, Okla, May 7th, 1917.

Respectfully,

FOLIO
