

Mary Elizabeth

Boswell was her name,
age 78 - from the
state of Illinois - here -

There was a sample
of a long life of no
who made life a
pleasure from early
days, to their deaths -
Mrs. Boswell asked
she be lying beside her
husband as they had
lived - & so it was -

But no more, no
less, than lives of others -
got a lesson to all, that
time collects its inter-
est, usurious or no -
humiliating just the
same -
