William Duval case - Tuesday April 14
 1914 - The two Russell brothers, O'Kina Gault,
 & John Waters had their preliminary trial
 for the murder of Duval - and all were
 bound over for the offense - & without bail.
 McHabb prosecutor, Moon defense -
 the jury showed that Gault was the
 aggressor in the beginning & over & because
 Duval would not give him a drink
 of Whiskey - the case is one of Murder
 & dastard crime - Cerebralism indeed -
 over.
