141 The buttered phrases
in which they let drop to us
this "only # 35.000" purposely
omits all mention of the
#42.000 subsequent interest
but holds out to us the faint
hope with the Good Samaritan
example and economic
management two utterly
impossible contingencies
with them that somehow by
a fortunate turn of the wheel
the loan itself might be
anticipated in returns.
Charming sweetness long
drawn out and very juicy
[illegible] fair gold brick right out
[illegible] hopper Surely the snare
[illegible] in vain in the sight
[illegible] bird.
[illegible] of the patented tricks
[illegible] veteran schemer is
