The following meals are those eaten by the Test Room Operators at breakfast and lunch time during the first week of the discontinued 9:30 a.m. lunches and rests.

These are being recorded in order to check against any week when lunches were being served during the 9:30 a.m. rest period. Evening dinners are not being taken, as the girls usually appease their appetites with candy, etc. during the afternoon and it is, therefore, felt that no material difference would be found:
