

Many of the documents relate to C. Guy Cutlip's career and influence as a public figure. Some of these materials describe the history of Seminole County and Wewoka. Several records are associated with former Oklahoma Governor, William H. Murray. Other documents concern Cutlip's personal life and his family. A majority of the materials date from the 1920's and 1930's. The entire collection includes records from 1867 to 1967.
