Dear Peg:

It was great to hear from you. Thanks for the update. I also enjoyed the picture of Isabel. She appears to be very sure of herself.

I will actually be in Ohio next week. I will be at the University of Dayton. Is that near you? If not, perhaps you and Isabel can visit us here in Oklahoma.

In answer to your question about the painting, of course I would love to have a piece of your art. I have always loved your work and would proudly display it on my wall.

Please, let's do a little better job of keeping in touch.

Sincerely,

Wilma P. Mankiller
