Dear Scott:

I enjoyed the newsletter very much. I was so happy to hear you got to meet Bill Clinton. I went to some of the Inaugural events, including the address. Mike Synar is unmarried so I got to use play his wife for the Inaugural Address which meant of course I got to sit in a great seat.

When I get out of this rat race (I really don't know how a nice girl like me got into this in the first place) I would love to visit with you and Waynell. You are always welcome to stay at the house if you come to Oklahoma.

Please give everyone my best.

Sincerely,

Wilma P. Mankiller
