Dear Ms. Nita Cochran:

I appreciate this opportunity to follow up on my previous request for Chief Mankiller to honor us by accepting the position of Honorary Co-Chair of our American Indian Scholarship Fund. I am faxing a copy of the letter I sent in December of 1993. And a zerox copy of our brochure.

I am aware, sadly, that Chief Mankiller will not be seeking re-election--that has no influence on our request. Chief Mankiller is a respected National Indian leader regardless of whether or not she holds an office.

As a member of the Cherokee Nation and an Indian educator I would appreciate any help you can give us.

Sincerely,

Glenn Johnson, M.Ed.
