Dear Wilma -

*Tell her
I am proud of
her*

We first met at Pres. Clinton's Economic summit in Little Rock where you also met my son, Bert who is CIB-Cherokee along with my wife + 2 other sons.

Please consider the forthcoming U.S. Senate race as a distinct possibility in your future. I think you are an immense benefit to your people and also to the state of Oklahoma.

I am a veteran of many Fed'l + State Democratic Campaigns. - U.S. Sen. Breaux, Sen. Johnston, Gov. Edwards, Cong. Tauzin, Cong. Haynes -

On behalf of my wife's Cherokee heritage + good government please consider the run for U.S. Senate

Sincerely

H. Lynn Breaux
