Box 948 Lablequal, Ock. 74465 Wear mo mankiller, Principal Chey I wish to first state & (and concerned cityens) are not against Indian as a gente. We to however, oppose thegrision perject. now, as to what I wish to write in This letter: In the meanin hews Record issue of to-6 you have gented as saying, by your spokesmen, Lyn Howard, as songing you had reserved on any letter from this area against it and the most formal communication for it was on a letterhood of to Miane Tribal Children Program. May I say, in my opinion, who I think that letter was from I think it was sent by Patry Wide who is employed buy the Miam Inlier Tribe for a Chilbren's Program, she and her husband Charlol Chuck Wole) own The 240 Gene which was secretely Tripof to be bought by the Beanes for the Prison Compley. It is correct that those, or their daughter, Shelva Mitchell, how sent the letter, it doesn't seem to regress the Trike. Who, as the article stated, it was acted by "The mor Kessler" as if they blesdy had your permisso. Thank you for publicly setting the record straight. The future management company toold us that prisoners would be working outside the main complex doing gardening and levestock management for their fooder steet. There is a let to consider as to the environment of natural resources, also Commenty import, so will appreciate your Close socialisty of their glans, they say they will its is they please, once they get a start-up operation That you.
