City of Stilwell

I have thoroughly enjoyed the privilege of serving as Mayor of the City of Stilwell for the past (6) six years. It has been my pleasure to watch our city grow and prosper during this time.

Due to ever increasing business pressures at Facet International, I find I must dedicate more of my energy to the successful operation of the Stilwell Plant.

Therefore, I hereby tender my resignation as Mayor of the City of Stilwell effective August 1, 1993.

Sincerely,

Hugh E. Zimmerman, Jr.
