Chief Wilma Mankiller
and the Cherokee Nation

My brothers and sisters:

My concern for the welfare of this country grows immense as I consider recent developments. When looking at history, it becomes obvious that great civilizations met their demise by straying from God's way. They condoned sin - homosexuality, lust, greed, violence. Are we to become like Babylon or the Roman Empire?

We are destroying ourselves - no longer slowly by inches but quickly - by miles! How can we effectively deal with other nations in this world when we are no longer a good example for them? There are only two paths - God's and Satan's. We MUST return to God's path!

I beg of you: speak out boldly. Write letters to senators, congressmen and officials. Fight this evil disease rolling through our country. The small details mean nothing if we allow our
