Dear Wilma,

I have just received a call from Suzanne Lacy, the renowned performance artist. She tells me of a major work of art that she is creating which will involve the participation of great women of our day coming together in conversation at Hull House. She asked if I would contact you on her behalf to inquire as to whether you would be interested in participating in this extraordinary work.

I hope you will consider participating. I encourage you to speak with Suzanne when she calls. She is an incredible woman and an unbelievably gifted artist. Of course, you can also speak with me about it.

Warmest regards,

Susan A. Grode
