Dear Wilma:

Say it ain't so! How's the Oklahoma Academy For State Goals going to continue to function effectively without your support. The Academy's been providing leadership in the areas of education, healthcare and government, but we (I'm a member, Director, and Officer) can only continue with the help of people like you.

Academy records indicate you've not renewed your membership for 1993. So...say it ain't so and renew now. We need you.

Best regards,

  
Vincent F. Orza, Jr.  
Chairman & President
