

much to my delight. And
the reason I cannot join you
is that I serve as a
Trustee of Algate and
have to go to our Board
meeting which begins tonight.

As you may know from
Jobue and Tom I am quite
involved with the Zwings M.
Hoffman Foundation in
Kansas City and our spearheading
efforts to launch initiatives to
work with Native Americans.
I have gotten great support for
moving ahead and need all the
encouragement and help I and we
can get. I'd love to visit
if you get up this way again,
or at least by phone.

Look forward to meeting you.

In the Spirit of George Hare,

JH
