Dear Hilma,

Thanks for your  
nice letter. I was so  
pleased that you came  
for Willie's taping. What  
a great show!

I am in the last  
month of a difficult legislative  
session — that is, it is  
the last month if we do  
not have a special  
session. Our schools  
are under threat of  
closure by the courts.  
Truly a tough time!
