4604 Creek Court  
Oklahoma City, OK 73135

Dear Mr. Tyon:

After careful consideration, the Student Discrimination Grievance Committee unanimously voted that your complaint is academic in nature and as such this committee should not deal with your complaint. This was based upon the Student Discrimination Grievance Procedure (enclosed), "This procedure shall not be applicable to academic evaluations and/or admissions decisions."

Should you desire to file an academic appeal you will need to contact Ms. Sharon Sanderson, Assistant Dean for Student Affairs in the College of Allied Health.

Sincerely,
