

In '92 61 of every federal income tax dollar you paid went into the pockets of David Rockefeller and the other stockholders of the privately owned FED, INC. Sacrifice Mr. Clinton? For a scam?

There's nothing "Federal" about the "FED".

Eighty years of fraud is enough! The "FED" isn't federal, it's private. Find out the truth.

The "national debt" is phony. Get rid of the "FED" and you get rid of the "national debt". Can you live with that???

We don't need an income tax to run our gov't. Get rid of the "FED" and you get rid of the need for a personal income tax.

How do you like being the victim of fraud? Want to know the truth? Get a booklet. This is a sustained, nationwide petition effort.

A return to Constitutional gov't gets rid of the income tax and the UN-FED. They violate your 5th, 10th & 13th Amendment rights under the Supreme Law of the Land - our Constitution.

Help us rout out the foreign money swindlers who are stealing us blind through their money machine - the "FED"

Find out the truth the Media has kept from you.
