To Whom It May Concern:

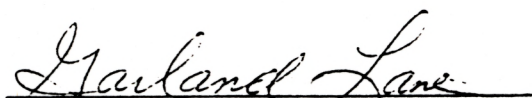

Kenwood School's Cherokee Childrens Choir will be traveling to Shinshu, Japan from August 3rd to 10th, 1993, to perform in Expo 93. There they will be performing several times for audiences in excess of 1,700 people.

Although the trip itself and all expenses associated with it will be paid for by Expo 93, the Choir is in need of \$20,600 for costumes, uniforms and other supplies. These items will be and remain the property of the Kenwood School Foundation, so that they may be used by the Choir in their future engagements.

Any assistance that you might give either in cash or in donated items that are needed by the choir would be greatly appreciated. All donations are completely tax deductible.

For more information you may contact Kenwood School. The Kenwood School Fax number is (918) 434-5707.

Sincerely,

Garland Lane, Elem. Supt.
