

question as I had hoped she would. I could not think of anything I could say to redeem myself. She had already reported me to Professor Curcio and would make a written notation stating that any further occurrences such as this could result in my dismissal from the program. I felt then, as I do now, these incidents regarding the wording on the quizzes were blown out of proportion. The contents of Professor Hunter's File Note of November 26, 1991, regarding the word "asshole" on the November 13 quiz and the word "hell" on the November 18 quiz is used arbitrarily in subsequent File Notes written by Professor Curcio and the memorandums from Professor Curcio and Dr. Sullivan written on OUHSC letterhead. All are located in my file in the Radiologic Technology Department under close scrutiny and authorization of Professor Curcio and Dr. Sullivan. They have perpetually used Professor Hunter's File Note to justify the disparate treatment and harassment I received. Professor Hunter circled "No" on the question, "Follow Up Needed" in her File Note of November 26, 1991.

January 9, 1992- Professor Curcio wrote a notation on the margin of Professor Hunter's November 25th File Note. Professor Curcio wrote she tried to reach me in "reference to a D grade in physics & tests". "Tests" referring to the quizzes Professor Hunter wrote about in her File Note. Professor Curcio also adds that I had "no viable # on file & also no answer @ corrected #". When Professor Curcio wrote this
