I received your name and address after a conversation I had with Robert Itapiti, Granson, Mo. He is a long distance trucker. I explained to him that I had recently taken my 8 year old son to a PowWow in Salem County, NJ hosted by the Lenape Indians. My son was fascinated by the ritual dances, costumes and music as I explained to him about tradition and how these customs are passed from generation to generation. I am sure he will never forget this experience. Robert Itapiti suggested that perhaps you could send him information or even make my son an honorary member of your tribe. My son would be awestruck! His name is

Andrew Sexton
6743 ROGERS Avenue
PENNSAUKEN, NJ 08109

Thank you for anything you can do for Andrew.

Sincerely,
Marjorie A. Sexton
