Dear Chief Wilma Man-killed -

I am writing to express my feelings  
over your up coming retirement as  
Chief of the Cherokee Nation.

I want you to know that my family  
& I are most proud of you -

And thank you for all the good  
things you have done for your people.

How we wished - that your  
health would permit you to be  
the Chief of your people until the  
Moon no longer shines -

You are an example for others  
to go by - And a true "Chief."

I do pray the Great Spirit & his  
Son our Lord Jesus, will be  
watching over you & your  
family - Always -

Sincerely
