To Whom This May Concern:

Mr. Dalton J. Henry and the immediate members of his family has continued to be discredited by false accusations stemmed from Dr. Carolyn Elgin accusing the Henry's of instigating the SIPI 1993 Protest.

Let it be known to all concerned individuals, that Mr. Henry nor his wife nor their two daughters had any part in the planning process or the scheduling that set the 1993 protest in motion.

The United Students For Freedom Coalition and active members of same acted on their own individual accord throughout the 1993 Southwestern Indian Polytechnic Institute Protest.

This written statement should alleviate any concerns directed against the Henry Family by the BIA Education Department, their officials/administrators or any member of the Native American communities residing within the United States boundaries. Thank you.
