Dear Ms. Short:

Thanks for your letter dated February 18, 1994. Sorry for the belated response.

Unfortunately, I have no new information about Kate Barnard. Most information was indeed from very well known sources like "and still the waters run."

And yes, Ahniwake Fleming is Lee's mother. Ahniwake now lives in Maryland but Lee has bought a home in Tahlequah and definitely plans to stay.

Best wishes in getting your book published.

Sincerely,

A handwritten signature in dark ink, appearing to read "Wilma P. Mankiller".
