Dear Wilma and Charlie,

I absolutely refuse to make this formal. So here does.
In haste and I need a quick answer, please.

On May 27th I depart Tarrytown, NY where I keep my
boat (about 30 miles from LaGuardia) for a cruise
to Lake Huron Via the Hudson River, the Erie Canal
etc .

I think it is time you two got away from aulation (whatever
that is), principal chieftanships, notoriety and honorary
degrees and went off on NAWAT for a few days (incognito!)
and went with me from Tarrytown to Brewerton, NY on
West end of Lake Oneida. All calm waters, Hudson
River, Erie Canal. An experience you will never forget.
It would mean flying to LaGuardia to arrive in Mid-Day
where I will meet you. We sail that evening. Then fly
back from Syracuse the evening or afternoon of Tuesday
May 31. That's about 5 days of real rest and relaxation.
My dearest Indian "daughter" Trudy Marie Trudell and her
husband Joe have made three two weeks trips on the Erie
Canal and LOVE it. Trudy says coves are "spiritual".
Other cruisers on NAWAT include Pat. Norbert, Henrietta
all of whom TREASURE the experience. On this it would
be just Saptain Meyer, Wilma and Charlie. No other titles!!

PLEASE let me know pronton if this fits your plans. I do
need crew. I hope you can. It will restore all our
hopes, health, dreams!!!

I enclose a stamped envelope you can just shove in the
mail. If you can do it we can work out details later. Just
so I know I have crew. But not just any crew!!

Love

Schuyler

I enclose a picture of NAWAT. You two will
have Captain's Quarters. Very comfortable, private
etc.
