Dear Wilma -

It was very nice to visit with you when you were kind enough to come to Phx. to speak at the N.C.C.D. on Jan 26. Kevin said he sent Gina a Christmas care but didn't hear back from her. Please tell her we all said hello and good luck in her studies.

I have enclosed the crystal paper weight from the YWCA Gala held in Phoenix on 2/5. Folks were disappointed you couldn't attend - I explained you were working very hard to insure that Indians would receive the same - if not improved - level of health care they now receive. It was a very impressive affair - a band, food, T.V.

Please let me know if I can help you in any way. You make me proud to be a member of the Cherokee Nation.

Sincerely

Kitty Rogers
