

This is an update w. notes from calls to Kennedy, Hine, Ruiz.
 Note: Ruiz was 1st choice for Latinae - she can't do, but will do the others
 (Multiculturalism, Sp. Men. Settlements + UCA PWA/FTA.) Barbara
 will do African American women and Black Migration but
 not so (Liz). Kennedy will do Lesbianism, Lesbians + women's studies.
 14 October 1993 Ruiz reviewed Pat Zavella for Latinae - Pat was our #2 anyway.]

ALL: Question: Should we solve problem by putting all categories which are now separate (quilting, sculpture, painting, photography) together and call the category Visual Arts? (We now have Arts and Crafts; it is not inclusive, but does cover a sufficient number of categories to seem inclusive).

Banking and Checking

WILMA: Provide material for contributor

GLORIA: Full name of woman at South Shore Bank in Chicago -- Susan ____?

LIZ: Ask Elizabeth Kennedy. Liz will check a few new anthologies and get back to us.

ALL: Add a separate article or cover under Muslim Women? (See question on Muslim Women below).

Black Nationalism and Nationalism

ALL: Need to revisit. The decision was to make Black Nationalism a blind entry and put under Nationalism to be written by Andrea Dworkin. Is this right? What else will be covered under Nationalism (Chicana? devotion to particular nations?)?

Breast Cancer

ALL: Barbara Seaman was picked. Should we break into two components--medical and movement--and ask Susan Love?
