Judge Guy Cutlip,  
Wewoka, Oklahoma.

Dear Judge:

I learned sometime ago that you were not in the best of health. I hope that that report is false, but if true, I hope that by the time you receive this letter you will have recovered or are on the way to recovery.

I am one among many that admire you as a man, as a Judge and as a citizen in every respect and therefore, we are earnestly interested in your health and your happiness. I can truly say that in my conversations about judges and men in official positions, that all I have ever heard express themselves that knew you, showed their high esteem for you as a Judge, a man and a gentleman. To me this is the highest and most valuable asset in life.

This letter is simply written as a friendly gesture to you, wishing you that if not returned to health now, you will in the near future. Good men are needed everywhere and in every place and I sincerely hope that you will be well and fully recovered in the near future.

With best personal regards, I am,

Yours very truly,

  
A. E. Pearson
