Mr. C. Guy Cutlip,

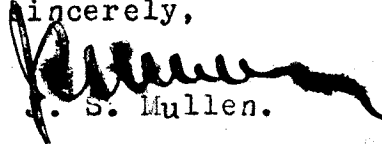

Wewoka, Okla.

My dear Mr. Cutlip:

Having just returned home, I find the decision in my matter by the Board of Governors. You went delightfully further than Mr. Massingale. Your position is the altruistic, the legal, the logical position to take in matters of this and like character.

Let me hasten to thank you for your favorable interest in this what is to me very important matter. If I can serve you, let me know.

Very sincerely,

  
J. S. Mullen.
