Messrs. Searcy & Underwood,
Exchange National Bank Bldg.,
Tulsa, Oklahoma.

Dear Sirs:

I thank you very much for your congratulatory letter of January 24th., and hope that I at least expressed my ideas under the facts as I saw them in the Hazen Green case, and that the Supreme Court will take my view of the matter.

Those of us on the east side understand better than the lawyers on the west side, of such a state of facts might arise, as was shown in the Hazen Green case.

Yours respectfully,

C. GUY OUTLIP.
