at that time. Of course, then they moved it to Wyandotte where it is at the present time. But boy, I don't know, I've seen about as much as the next one.

CEREMONIALS AND DANCES

(Have you ever seen any of the ceremonials or did they have any dancers?)

Well, yes. Yes. They had-- Yes, they had their dances, but I can't-I can't vouch very much for that 'cause the folks all went and I was just a kid and they put me back in the hack or buggy somewhere and I was asleep most of the time. I couldn't. But I've seen, I've been to these dances uh I've been there. Later on, I've seen 'em dance, yeah.

(Where did they have them?)

Well generally up here about Promenade. They'd have 'em up here at Promenade and then they had 'em over there by, one of the branch over there across from away from Kay Springs down the branch there, the old Sky--Old Lady Sky's place. They-they dance over there. Yeah, I've seen 'em there. They had a big time. They-they really got a big kick out of it. They enjoyed it and they was really in earnest about their affairs, too. And, I don't know, I can't say that they did anything--all they did was just get out there and dance and I don't know what it was all about but they'd dance and have-have a big-big time among themselves and they enjoyed it. I'm for 'em because that's what they wanted. That's-that's it.

(How often did they have dances?)

Oh, about ah-they'd have about ah two or three times a year, something like that. Sometimes maybe more. I think a lot of it was to celebrate the fact that to show their appreciation for their crops and-and what have you. Just
