

Man's voice: No.

You don't remember him?

Man's voice: No, I don't either.

He had TB.

(Well, this tape's about finished so is there anything you want to put on there so people come to hear?)

I want to tell my children all, hello. When they come to hear that, my grandchildren. And if they can understand it.

(Sentence not clear.)

(All right.)

That filled up?

(Just about.)

(End of Tape.)
