

Ray. And I know Ray's birthday is December 13, but the year I don't know. And then Frederick. His birthday is July 8. And this one, (Dennis) his birthday is July 9. Now the next one is Frank. He was born May 29, 1956. And the next one is Louis. When was he born? April 22, 1958. And the next one is Dago. When was you born? June 12. (Dago and Eugene are sitting right at hand.) And then Eugene. When was he born--when was his birthday? Not long ago, wasn't it? December 21 is his. And then the next one is Adrian. I think he was born in October. He's five years old.

(Does she have any girls?)

No--eight boys.

(Now are any of these older ones married and have any kids?)

No. This one (Dennis) is in the service. He's at Camp Polk.

(Where is Ray?)

He's going to school at Weatherford.

(He's in that Upward Bound program?)

Yeah.

(What does Frederick do?)

He works in here at this school, and Saturdays he works in a store. He's fourteen.

(And Frank?)

He's here--he climbs trees! And Louis hangs on limbs!

(How old is Dennis?)

He'll be twenty-one next birthday--July. The ninth. Ray is sixteen. And this one (Frank) is thirteen. And Louis is eleven. And Dago is nine. Eugene is seven and Adrian is five.

(That's a nice family.)

Yeah. You know I got a lot of these distant relations. They like for me to come and stay with them. Come and be with them. Maybe I'll go over there.
