

either. So one time I offered to do everything he said if he take me in there. So he took me in there and I crawled out the back way and he said, "You going to get sore back." "And that sore one stay there for life," he said. He said, "You're the meanest thing." (Laughter.) (Word not clear) some kind of doctor he was in there. I crawled out the back I was about to smother. That steam I couldn't even see my grandpa.

(Was there any special procedure about putting the water on or?)

I guess that was his (words not clear). I don't know why he goes in there. Really I don't. Probably it was.

Justin: He used cold water didn't he? Or hot water?

(When he took the water in, was it just cold water?)

Yeah.

Justin: While he was in there he got that straw, got that straw and he'll dip it in there and (words not clear).

He put in on with a straw. Some like a fan, it's about this long.

(Conversation.)

We got all kinds of it. We not even have to (words not clear) .

(Yeah because they put all the pieces of this together, see. So we can do something with it.)

He dip the bucket.

(Conversation in background.)

After he done that to me I crawled out the back way. He said he was going to kill me. I was just running from him. (Laughter.)

(Conversation in background.)

A STORY

I never did hear that. Go ahead tell it.

(When was this supposed to have happened?)
