

(Did there used to be a family lived in here by the name of Drake?)

Drake, yeah.

(Where was their place?)

Across the river over there.

(Right across the river. Yeah. All this lake area took that in, I guess.)

Oh yeah. Used to be a house right there. I don't know whether you ever knowed it.

(No, I didn't know that. Well, all this that's back up in here was settled up, too, I guess, wasn't it?)

Yeah.

(Was there a house right over here, let's see...yeah, somewhere back up in there.)

Well. Used to be a house right back over there. Old man Cook,

(Over yonder where that grove of trees is. Was there a house there at one time over on this side?)

Yeah, yeah.

(Who lived in there? Do you remember?)

Well, Darcy Hardin.

(Darcy Hardin. Even down here where there's good bottom land.)

Yeah, that was good bottom land. I spent--I picked many bales of hay in that place. For Darcy.

(Fine looking country. Where was the main road before they built this one through here?)

It was right down there.

(Oh, it came back over south here. Then went up around the hill.)

Up over the hill. (Tape skip - sentence not clear.)

#### BIBLICAL PROPHECY

(I don't think it is.)

No, Bible say that some day Jerusalem will be trodden down by the
