

Huh-uh. Old timey. Yeah we had pretty nice time. We had good times those days.

(Yeah.)

Uh-huh. We sure did. Now we just have to take what comes.

EARLY DAYS - ANIMALS, CLOTHING, AND GENERAL SURROUNDINGS

(Well, what else did you do besides going to school--did you have a pet, animal of some kind?)

We had a dog.

(That you took care of? A dog.)

We had, just a dog. We had some pigs though, pet pigs. We used to take care of them.

(Did you say you all had wild turkeys?)

No, yeah, we had wild turkeys, deer. And they'd come right behind our house and papa used to kill them.

(Oh, he did.)

Uh-huh.

(Oh, you had deer meat?)

Uh-huh.

(Deer meat.)

But I never did like it. (laughter)

(How come?)

I just don't like it. Don't like chicken anymore.

(Oh, you don't?)

Huh-uh.

(What's your favorite meat?)

Pork.

(Pork.)

And I can't eat it. (Creek words)
